Cash Settlement Obligations

In respect to each lot (1 MW) the following payments shall be made:

Where the Cash Settlement Price

- (i) exceeds the contract price, payment by the Seller to the Clearing House;
 - (ii) exceeds the contract price, payment by the Clearing House to the Buyer;
 - (iii) is less than the contract price, payment by the Clearing House to the Seller;
 - (iv) is less than the contract price, payment by the Buyer to the Clearing House,
- of an amount calculated by multiplying the difference between the Cash Settlement Price and the contract price by the number of hours in the day (12).

Where the Cash Settlement Price is equal to the contract price, no payments shall be made between the Seller (or Buyer) and the Clearing House

The applicable contract price is the applied settlement price to the open position at the latest marked-to-market. For the position resulting from the transactions executed on the last settlement date, the contract price is the transaction price.
